

The Final Presentation of GPEM Project Reports (Autumn Semester, 2017 Academic Year) was held on January 18, 2018, at Small Lecture Room 3. Eleven students presented their projects, and the GPEM committee selected Mr. Adams Jannik as the best presenter based on the contents and presentation style. Congratulations!

Best presentation Award

Recipient: Mr. Adams Jannik

Project title: Public Preferences for alternative electricity mixes in Germany

Award winner Adams Jannik (left) and Dean Nobuhiko Terui (right)
