10. In addition

- Tohoku University promotes gender equality and welcomes proactive application for job positions by diverse talent.
- Tohoku University has the largest on-campus childcare system of all Japanese national universities. This network comprises three nurseries: Kawauchi Keyaki Nursery school (capacity: 30) and Aobayama Midori Nursery school (100), both open to all university employees, as well as Hoshinoko Nursery school (120), which is open to Seiryō Campus staff. In addition, Tohoku University Hospital runs a childcare room for mildly ill and convalescent children available to all university employees.
- See the following website for information on these and other programs that Tohoku University runs to assist work-life balancing, support researchers, and advance gender equality.
